

The First 60 Days — *at a glance*

September 1 – October 30, 2026 · Minister Ken Bridgett

The approach: we don't rush to programs — we gather the people, build the community, and then walk them through a transformation together. Sixty days, four movements, one outcome: **members who each hold a written vision and have begun to build it.**

Movement II — The Community

Thirty days of foundation. **Weekly Zoom gatherings every Thursday at 7 PM** — relationship first, foundational teaching, and anticipation building toward what's coming October 1. The roster grows all month; everyone who signs up is in before the challenge begins.

Movement III — The 7-Day Challenge

The whole community walks seven days **together** — daily teaching, daily practice, daily journal. It opens live on the Thursday-night gathering and ends with every participant holding **a written, workable vision**. Participation is tracked, so no one walks alone.

Movement IV — The Building

Visions go into motion. The four pillars open up — **Start & Grow · Steward · Skill Up · Circulate** — testimonies begin, and the Thursday rhythm continues. At day 60, a full report comes back to you: who joined, who completed, and what's being built.

"Write the vision, and make it plain upon tables, that he may run that readeth it."
